Everything your gym needs. One system.

Fees stuck? Automated WhatsApp collections

Renewal alerts with instant UPI payment links, sent 3 days before expiry. No awkward calls.

Leads lost? One unified lead CRM

Website, WhatsApp and walk-in enquiries in one pipeline with automated follow-ups.

No app downloads? WhatsApp-first members

Digital passes, class bookings and receipts delivered inside WhatsApp — nothing to install.

Desk queues? 1-second QR check-in

Scan and in. Real-time attendance, streaks and daily headcount — no paper register.

Silent churn? At-risk member alerts

Attendance tracking flags inactive members early so staff can re-engage before expiry.

Multi-branch? One owner dashboard

Live collections, attendance and renewal pipelines for every location — from your phone.
